- English - C1

HOBBIES

- Basketball
- Exploring new technologies
- Windsurfing
- Travelling

PROFILE

I am a front-end developer with nearly two years of experience in building web applications. While my expertise lies in front-end development, I am comfortable in various aspects of software engineering, including back-end technologies and database management. I am a proactive and communicative team player who values collaboration and continuous learning. My long-term goal is to grow as a full-stack developer, and I actively seek opportunities to broaden my skills and contribute to impactful projects.

WORK EXPERIENCE

- **SolDevelo** MARCH 2023 - PRESENT
